Paul and Keri,

Checking in on whether we will today receive the documents and information that Defendant had agreed to produce by Friday Feb 2. Please confirm status.

Separately, I wanted to renew Plaintiffs' offer to engage in settlement discussions. If this is something your client is interested in we would want to quickly discuss process. So we are on the same page, this would not impact the production we are waiting on because we would need that kind of information to engage in meaningful discussions.

I am available today if you would like to discuss.

Good morning Keri,

Can you confirm that we will have the production and discovery responses by Wed of this week?

Thanks, Ossai

Christopher,

We need to nail down a few additional pieces of information with our client before we will be in a position to produce the class data and supplemental discovery responses as discussed. We anticipate that we will produce these documents and information mid-next week, but will let you know as soon as possible if that timing changes. We apologize for the inconvenience. Please let us know if you would like to further discuss.

Have a nice weekend.

Thanks,
Keri
